There once was a greedy wolf.

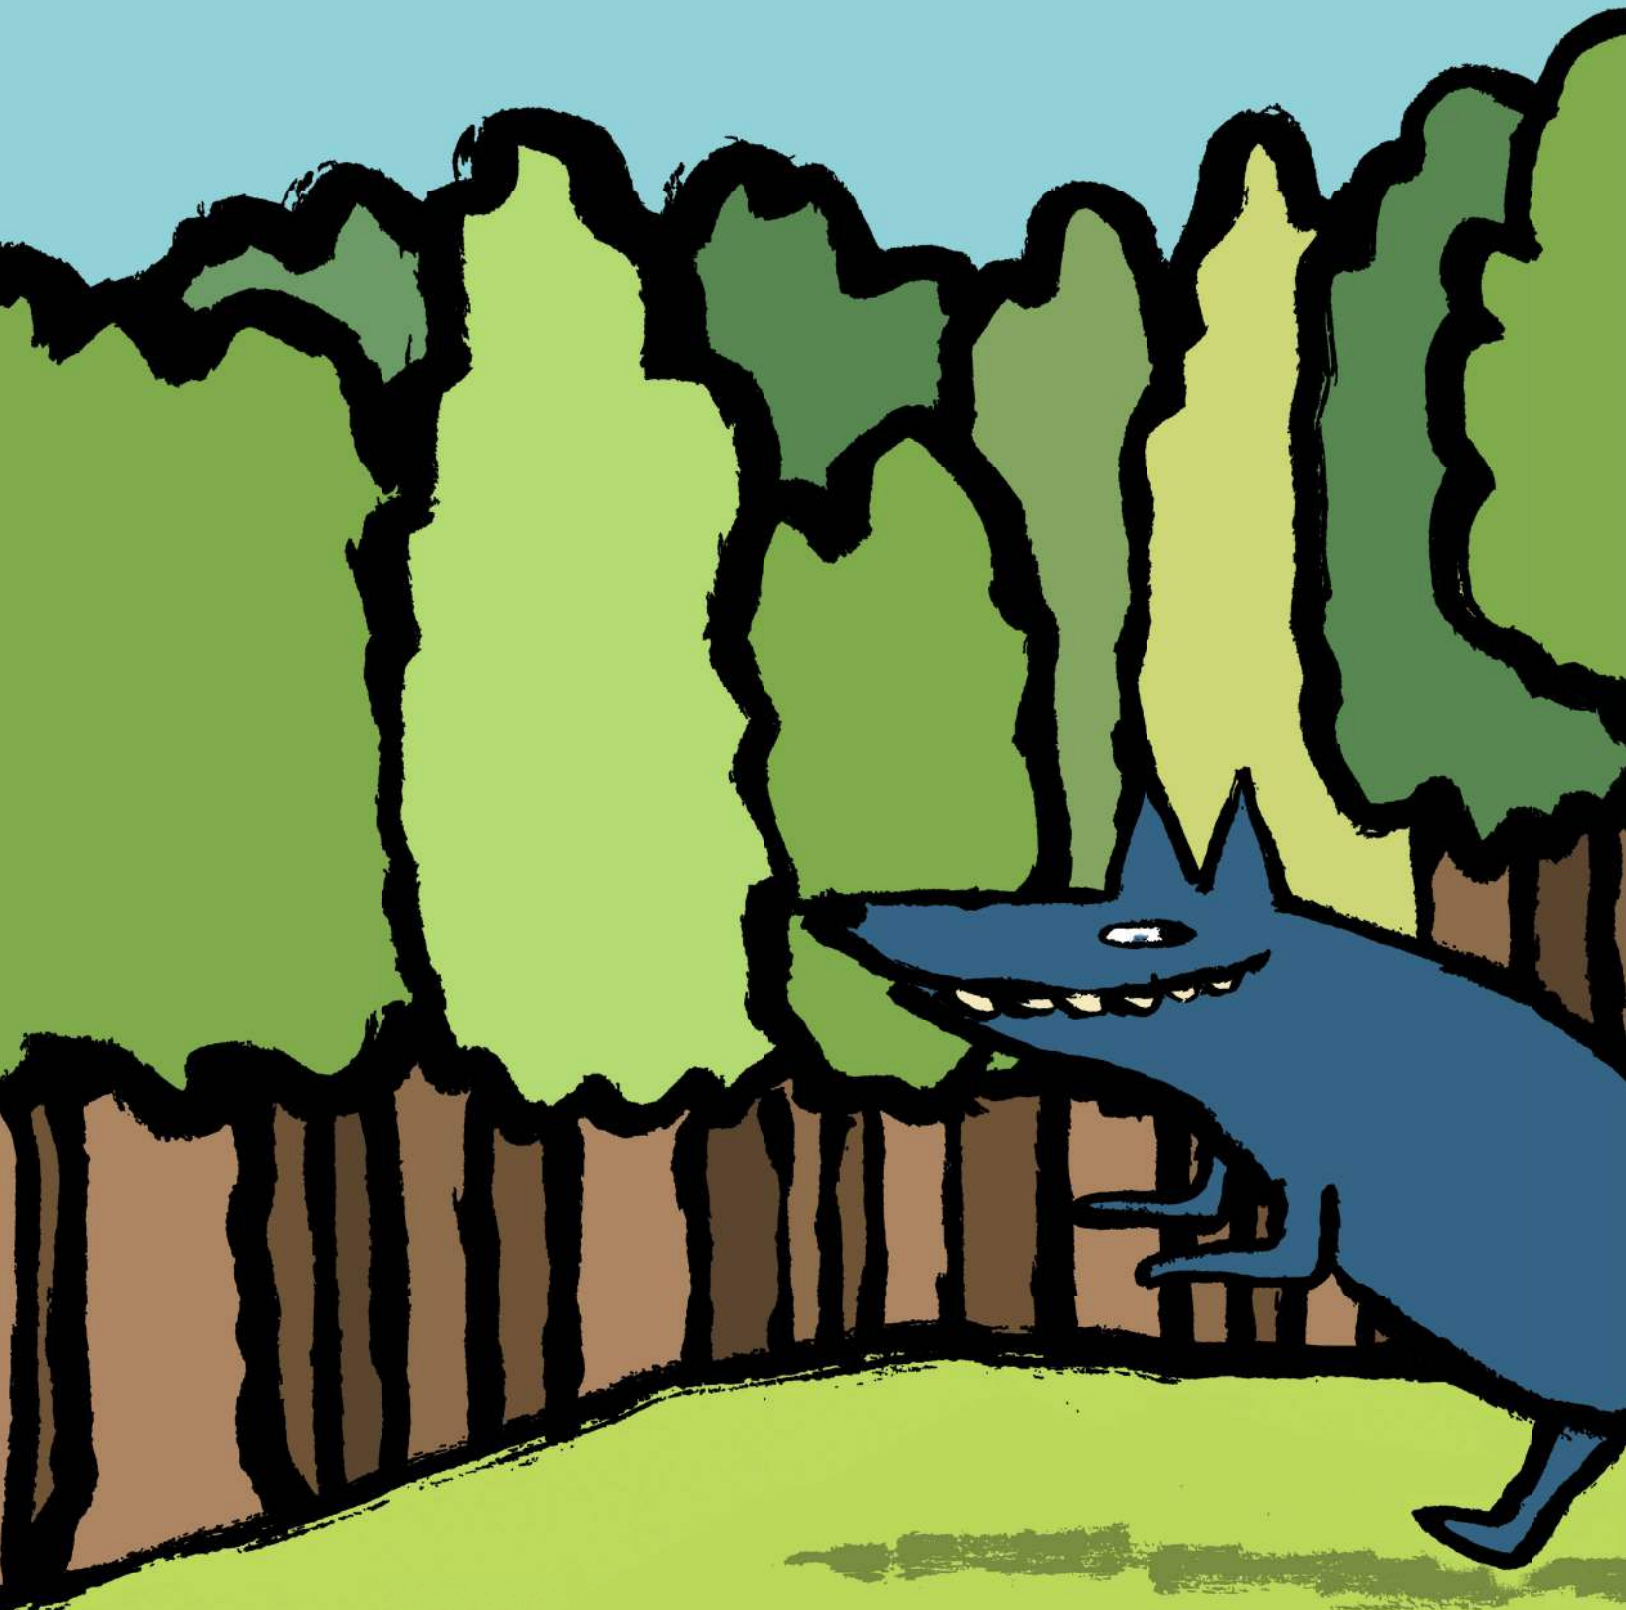

He was so greedy that every day
he would eat enough food
for TEN birthday parties . . .

and *still* be hungry for more.

But what the greedy wolf
most dreamed of eating was
fresh young goats.

One day, the greedy wolf just happened to be walking past Mommy Goat's house when he heard her say . . .

"I'm going out to get our
favorite food for dinner.

And she left her seven kids in
the house . . .

all alone.
