The Forest Stewardship Council® (FSC®) is an international, non-governmental organisation dedicated to promoting responsible management of the world's forests. FSC operates a system of forest certification and product labelling that allows consumers to identify wood and wood-based products from well-managed forests and other controlled sources.

For more information about the FSC, please visit their website at [www.fsc.org](http://www.fsc.org)

When it's time to leave the nest,  
Tiny chicks are put to the test.

Learning quickly, they must try  
To spread their wings and start to fly.

Deep in the ocean, when danger lurks,  
Dolphins have a trick that works.

They keep their calves safe and sound  
By forming a circle all around.
